

EC-465 Cash Drawer

This high quality cash drawer fits all modular EPOS systems. It can even be used stand alone as the 3 position key lock opens the drawer as well as locks the drawer. Front media slots allow posting of vouchers and slips without opening the drawer.

The insert comes complete with locking lid to provide a secure box in which to transport the money. Heavy duty rail and rollers make this the most reliable drawer on the market. Available in the usual Beige or Black this drawer will enhance any system.

Features:

- 8 position key lock.
- Media slots.
- Drawer open sensor.
- Printer connection.
- Complete with locking lid.
- Heavy duty metal construction.
- 1 year warranty.

The EC-465 Cash Drawer has eight coin and 4 note slots.
